NURSE-ON-CALL

Our primary purpose is to give you the quality skilled services you need. We offer a 24-hour phone line so you can contact us for any medical need. You may contact us any time should you have a clinical question or have an emergency.

Our Registered Nurse will be there to take your call.

Your **CAREFIRST REHAB** clinical team will work with your doctor to provide you the health care that is specific to your needs in the most comfortable place --

YOUR HOME.

Part of our goal is to educate our patients about their disease process, potential complications, and the importance of being proactively involved in their own health care.

Everyday, we strive to offer compassionate and high quality home health care with unparalleled customer service that is patient-centered.

The needs of our valued patients and their families will always be our highest priority.
